PROPER USE OF A HANDICAPPED PARKING PERMIT

The permit issued from this Application is not transferable, is to be used by the party to whom it is issued or for the motor vehicle for which it is issued, cannot be altered or reproduced and is to be used only when a handicapped or disabled person or a temporarily handicapped or disabled person will enter and exit the motor vehicle while it is parked in a designated parking space. Those convicted of a handicapped parking infraction shall be subject to suspension of the permit for six (6) months and possible fines.

APPLICATION INSTRUCTIONS

(No more than one (1) permit will be issued to a handicapped individual.)

INITIAL APPLICATION:

Permanent Permit - To obtain a handicapped parking permit, complete the top portion of the Application for Handicapped Parking Permit on the reverse side of this form; present the application to a licensed physician, physician assistant or nurse practitioner for completion of the Medical Certificate portion and remit to the City/Village Clerk or designated County Official with proof of identification. Once the application is processed the permit will be mailed to the applicant from the Department of Motor Vehicles. Expiration of the permanent permit is September 30th of the third year following the year of issuance.

Temporary Permit - Temporary permits are issued to persons with any handicap or disability whose personal mobility is expected to be limited in such a manner for no longer than one (1) year. To obtain a temporary permit, follow the same application procedure as with a permanent permit. Expiration of a temporary permit is determined by the expected date of recovery indicated by the certifier in the Medical Certificate portion of the application, not to exceed six (6) months.

RENEWAL APPLICATION:

Permanent permits may be renewed by following the same procedure as with initial application. Applications for renewal of a permanent permit can be submitted anytime after August 1st of the expiration year. However, permanent renewal permits will not be mailed until September 20th.

Temporary permits may be renewed by following the same procedure as with initial application. Application for renewal can be submitted anytime within the month of expiration. However, temporary renewal permits will not be mailed until 10 days prior to the expiration of the previous permit. Temporary permits may be renewed one time only.

DUPLICATE PERMITS

If a Handicapped Parking Permit has been lost or stolen, a duplicate permit may be obtained by completing only the top portion of the application and submitting the application to the City/Village Clerk or designated County Official with proof of Identification. The duplicate permit will be mailed to the applicant by the Department of Motor Vehicles.
